**Viewing Log: Camera Movements**

**Assignment:** Watch 30 minutes of a television show; the show must be “cinematic” in nature. Watch for camera movements used during the episode(s). Find an example of movement listed below AND write a brief description as to why this type of shot was used (motivation).

Show: __________________ Episode: ______________ Channel/Subscription: ______________

1. A pan

2. A tilt

3. A tracking shot

4. A dolly shot

5. Pull focus

6. One other camera movement (crane shot, hand-held, steadicam, zoom, etc.)

**If no examples occur during your viewing time, then watch another episode and note it at the top!**

**DO THIS ACTIVITY ON A SEPARATE SHEET OF PAPER!**
