IB Film Studies
Production Design Assignment

Directions: For this assignment, you will be analyzing two specific aspects of the production design from a movie of your choice. You will use the discussion points listed in chapter 7 of your text. This assignment must be typed!

Procedure
1. Select a film and provide the following information:
   a. Title and motivation for selecting this film
   b. Year and country of release
   c. Director
   d. Brief synopsis of a scene for analysis from the film.
   e. Any supplemental information and/or material which enhances your analysis (i.e. pictures, properly cited analysis from other sources, relevant background information on the film pertaining to the topic); this information should be included where appropriate in the body of your paper
2. Analyze the set design of a scene/sequence from the film. Use the discussion points listed on page 314.
3. Analyze a costume from the film. Use the discussion points listed on pages 318 and 319.

Please understand that you must have read the entire chapter in order for you to succeed in your analysis. This assignment is worth 4 grades, the equivalent of a chapter test.
